Nunamaker Chosen First Government President Katz, Glynn, Shirkey Elected Class Presidents

By DAVE RIGGS

University students elected upperclass officers for the 1958-59 school year in an all-campus election May 21. The largest number of students in the past several years showed up at the polls to vote for their respective officers. Voting booths were used for the first time in this election and precinct voting, which was also initiated this year, was used to give students in all parts of the campus an equal chance to vote.

The voting, which brought a very active and competitive campaign period to an end, was very close in most cases, with only a few votes separating several candidates. In one case, the top three candidates were separated by only one vote.

Don Katz was re-elected president and will head the senior class for the 1958-59 school year. Dave Riggs was elected vice-president, Dee D'Zurik was chosen as secretary and Ann Thompson was elected treasurer.

Junior class officers elected for the coming year are: Dan Glynn, president; Ron O'Leary, vice-president; Sandy Barker, secretary and Linda Cory, treasurer.

Officers for next year's sophomore class are: Ed Shirkey, president; Jack Granfield, vice-president; Carleen Andestad, secretary and James Fluke, treasurer.

The voting for the various candidates, which turned out very close in many cases, is as follows.

For senior president; Don Katz—164; Bill Jenkins—78, Jim Schrader—73, Bob Rask—61, Bruce Styerwalt—52 and Ron Harmon—50.

Senior vice-presidential candidates: Dave Riggs—107, Linda Gee—97, Delight Thompson—87, Ray Bennett—69, Neil Staten—47, Jim Van Winkle—43 and Virginia Johnson—29.

Candidates for senior secretary; Dee D'Zurik—112, Jan Baker—107, Thelma Madden—103, Bev Wehr—87 and Rita Fessler—64.

For senior treasurer; Ann Thompson—117, Pat Ensign—116, Mike Riggs—116, Marty Harmer—71 and Helen Kane—53.

Junior candidates for president; Dan Glynn—280, Jim Steidman—220, Roger Graham—123, Bill Dow—92 and Gary Steiger—67.

Junior vice-presidential candidates; Ron O'Leary—246, Larry Coffman—214, Bob McLean—88, Dale Haven—59, Mike Wise—55, Mary Larsen—43, Jim Ashbough—37, Harvey Bibicoff—36, and Susan Holman—20.

DE To Be Installed Into TKE May 31

At the meeting of the Interfraternity Council Wednesday evening the fraternity representatives unanimously voted to allow the local Delta Epsilon Fraternity to become a chapter of Tau Kappa Epsilon, national fraternity.

At a meeting with Tau Kappa Epsilon officials Saturday, May 18, Dr. Ralph W. McDonald said that the final decision as to whether DE would be allowed to join the national fraternity would be left up to the IFC. Present at last Saturday's meeting along with the TKE officials and Dr. McDonald were University administrative officials and Dr. McDonald were University administrative officials, members of the DE fraternity, the president of the IFC, and advisers to the DE fraternity.

The local chapter will be installed into TKE on May 31, Herb Edwards, president said. Soon after results of the vote were announced by the IFC the DE representatives took out the TKE national flag, waved it and thanked the IFC for their support.

Four Freshmen, Float Parade, University Prom, Honors Day Will Highlight Spring Week End

A concert by the widely-famed singing group, the Four Freshmen, a gala float parade and May Court presentation, the Annual U-A Prom, featuring Roger Williams, and Honors Day are the events listed on the much-anticipated Spring Weekend schedule which begins this evening and extends through Sunday afternoon, May 25.

Festivities will get underway at 8:15 p.m. when the Four Freshmen, acclaimed from coast to coast for their Capitol records, TV appearances, work in motion pictures and concerts, will appear in the "Starlight Serenade" in the Grand Ballroom of the University Union.

WILLIAMS FEATHERSTONE

This versatile group will present a concert of some of their most famous selections, stated Don Katz who is in charge of the night's entertainment and the dance.

Nationally acclaimed by critics, readers' polls and magazines, the Four Freshmen became a vocal group at Arthur Jordan Conservatory in Indianapolis in 1948 while they were in their freshman year. Hence the name chosen for the group is quite appropriate.

Since 1955, and their highly successful single of "Day by Day," the Four Freshmen have had a succession of hits, including "Graduation Day" and "Charmaine." Their albums include "Four Freshmen and Five Trumpets," and their most recent, "Voices in Latin."

Saturday afternoon, May 24, floats, built through the combined efforts of the fraternities, sororities, and men's and women's residence halls, will be a feature of May Day. Anita Luyk, chairman of the Spirit and Traditions Board, is in charge of the event.

The parade of floats, built around a "Tomorrowland" theme, will begin at 1:30 p.m. in the parking lot adjacent to the practice football field. From here the entourage will follow a prescribed route through the city and return to campus, finally ending up in the stadium. Nancy Hammond, co-chairman of the parade with Ray Marvin, stated that all floats, to be eligible for competition, must be in the parking lot and registered by 12:45 p.m.

Once in the stadium, a program which includes presentation of the candidates for May Queen, awarding of trophies for the outstanding floats, and special entertainment will get under way.

The annual U-A Prom, based this year on the theme "Celestial Regale," will take the spotlight Saturday night. Featured will be the popular pianist Roger Williams, supported by the music by Jimmy Featherstone and his orchestra.

Fans of popular music won't want to miss this famous event. The name Roger Williams is nearly the trade mark of today's record buyers. His career has been (Continued on page 2)

Taylor, Derck Named KEY Royalty

Beth Taylor, Alpha Phi, and Anthony Derck, Rodgers Quadrangle's candidate, will rein as Queen and King of the 1958 KEY, announced Nancy Harrington and Maralynn Wonfor, co-editors.

Miss Taylor is a sophomore in the College of Business Administration and is from Elmhurst, Illinois. Derck is a freshman in the College of Business Administration and is from Antwerp, Ohio. He is a member of Alpha Tau Omega fraternity.

The winners were chosen from a field of 12 finalists by television and movie singer, Pat Boone. The KEY editors have known Mr. Boone's choices since last Jan.

Finalists for the KEY Queen were: Barb Dunlap, Alpha Xi Delta; Jacqueline D'Isa, Gamma Phi Beta; Judy Johnson, Mooney Hall; Judy Mandy, Delta Gamma; and Robin Ward, Prout Hall.

Finalists for the KEY King were: George Dunster, Theta Chi; Don Katz, Zeta Beta Tau; Brian Lewis, Pi Kappa Alpha; Thomas Minarcin, Phi Kappa Tau; and Jerry McMaken, Kappa Sigma.

DERCK

TAYLOR

The assembly which is usually held to introduce the KEY royalty, was canceled because both Pres. Ralph W. McDonald and Dr. Ralph Harshman were out of town on the scheduled day. No other day could be set up that would be convenient for all parties concerned.

The KEY is presently being bound in Chicago at the bindery and is scheduled to be delivered to the campus, before the last day of classes, May 28. The date and place of distribution will be released in the next issue of the NEWS.

NUNAMAKER

stated that this figure represents about 54 percent of the entire student body. It is estimated that there are 4200 full-time students matriculating at the University this semester.

Elected to the top post of President of the student body was Norman Nunamaker who surpassed his closest competitor by 520 votes. Lewis Moorehead placed second in the balloting thus ensuring himself the office of Vice President.

Carolyn Krukemyer took Secretary of the student body by a fairly safe margin of 121 votes over her nearest competitor for the post.

For the office of Treasurer, Morse Sanderson polled 1181 votes, more than doubling the total of the second place candidate John Garner.

In the races for the three seats for each class in the Student Council all candidates made a most reputable showing with no one actually running away with the election. Several of the candidates made tremendous showings, but considering the number of votes cast and the number running a landslide was nowhere evident.

Senior representatives to the Student Council for the 1958-59 school year will be: Linda Gee, Peg Faze and Robert Kinstle.

Elected as junior Council representatives were: Larry Coffman, Sue Rautine and Judy Davis.

The three sophomores that will sit on the Council will be: Ed Shirkey, Diana Armstrong and Keith Trowbridge.

As set forth in the new Constitution, the Student Council will (Continued on page 4)

Editorially Speaking

... And Came The Dawn

It is extremely heartening to note that the recent all-campus election for class officers and students body officers brought forth the largest recorded vote for a campus election since the founding of the University 48 years ago.

It is of further encouragement when we realize that this record vote is a complete reversal of the trends and habits that have been so inherent throughout the student body in past years.

Yet, the problem goes deeper. Not only did 54 per cent of the student body take the time to exercise their privilege of voting but, by doing so, the student body has proved their desire to accept responsibility and thus take a full and active part in student government.

However, we must not lose sight of the fact that this is just the beginning. In our last editorial we expressed the fact that it was about time that the student body came out of their shells and took cognizance of the world around them. This seemingly has been accomplished. Yet, we cannot afford to gloat and stick out our chests and sit back and be content with our apparent spurt of interest.

Rather, we must continue to move forward and take even greater strides for student responsibility, maturity, and participation. For only through continued and increased student interest can we ever hope to say that we are "true" university students capable of governing and managing our own affairs.

Letters To The Editor

To The Editor:

I only hope that Mr. Lynn never sees the News issue of May 20. I am ashamed to say that such a poor, inexperienced, critic as Mr. Osoff must represent the student body's opinions in the NEWS. His opinion does not concur with any of the thirty people I have just been talking with, and I venture to say that there are a few more people on campus who agree with me.

"Macbeth" was good and without Mr. Lynn it would not have been half the success it was. Agreed, the student actors and actresses were magnificent but the fact remains—they are still students and in many instances acted like students. Mr. Lynn is a professional and portrayed the part of Macbeth as only a seasoned performer could. To say that Schindler, or some of the other performers outshone him is the greatest INSULT to Lynn that I have ever read.

Martha Glosser

Editors Note:

The question here is not if the critic is inexperienced but that Miss Glosser's opinions differ from the critic's and thus according to the letter, are the right opinions. It should also be pointed out at this time that just because a person is a professional does not mean his performance must be perfect or that he is beyond reproach.

To The Brothers of Delta Upsilon:

The annual Delta Upsilon Bike Race is probably the biggest fraternity sponsored competition on the Bowling Green campus. After weeks of preparation, enthusiasm and spirit reach a peak maintained through the entirety of the race. This year was certainly no exception.

Because of the hard work and interest shown by the brothers of Theta Chi, the ruling of an infraction caused us a great deal of concern. Thus came the protest to the Interfraternity Council Judicial Board.

However we realize that the DU Bike Race committee fairly and

honestly judged the issue as they saw it. Although our opinions differ, we acknowledge and accept any ruling made by the body and consider their decision as final. Therefore, although the IFC Judicial Board has consented to hear our case, we have henceforth withdrawn the charge.

We at the Theta Chi house are proud of our riders and their performance during the race; we hope to be even prouder of them in next year's competition.

The Brothers of Theta Chi

relatively short, but his climb to national prominence was fast. During the summer and early fall of 1955, millions of people suddenly "discovered" him when he recorded "Autumn Leaves." That song became one of the outstanding hits of the year, and brought him universal fame.

Tickets for the U-A Prom were on sale until noon today at a booth in the Well. They are still being sold at the Union until 8 p.m. today, and until 9 p.m. tomorrow at the Union. Price is \$2.50 per couple.

Honors Day will take place at 3 p.m. Sunday, May 25, in the Grand Ballroom of the University Union. This day is being planned and arranged by the Honors and Awards Committee, along with Dr. Ralph G. Harshman, vice-president of the University and chairman of Honors Day.

These ceremonies will climax the second annual Spring Weekend, with awards and honors going to outstanding groups and individuals for activities in the 1957-58 school year. President Ralph W. McDonald will preside.

Concert music by the University Band will open the program, followed by the Honors Day processional march. Taking part in this march will be all faculty members, all the administrative staff with faculty rank, and all graduating seniors.

All students are invited to attend, said Dr. Harshman, since awards will be given to others besides seniors. Also, Honors Day is so traditionally a major factor in school spirit that no one should miss it.

Dr. Ralph G. Harshman, vice-president of the University, pointed out the importance of Honors Day to the students and that their presence at the ceremony makes it a success.

Seniors will meet to form for the processional in the Main Auditorium at 2:30 p.m. Sunday and faculty will assemble in the south end of the ground floor of the Administration Bldg. in academic regalia. The processional will start promptly at 2:45 and proceed to the Union for the ceremonies, which begin at 3 p.m.

In case of inclement weather, seniors will meet in the third floor corridor of the Union and faculty members will gather in the Alumni Room.

The Senior Class will present its traditional gift to the University during the program.

Winner or winners of the 1957-58 University Song Contest will be announced, and \$200 in prize money awarded for the best lyrics and music submitted. The song chosen will be sung by choral groups from Theta Chi fraternity, winner of the IFC Sing, and Delta Gamma sorority, winner of the May Sing.

Huron Playhouse Season Features Six Productions, Children's Play

Six stage hits and a special children's show will provide a summer of interesting and valuable work for 30 Bowling Green students. They will perform as members of the Huron Playhouse theatrical company which will start its tenth season of bringing the theatre to summer residents of Northwestern Ohio, according to Dr. F. Lee Miesle, assistant professor of speech and director of the Playhouse.

This summer's program will feature such Broadway hits as "Abie's Irish Rose," "Anastasia," and "Paint Your Wagon," a musical comedy by the same authors that gave "Brigadoon" and "My Fair Lady" to the American theatre.

Founded in 1949 as the summer arm of the regular theatre program at the University, the Huron Playhouse, located on Lake Erie at Huron, has steadily increased the scope of its influence and the success of its program. Last year, the peak season to date, nearly eleven thousand people attended its performances. Figures for the entire history of the Playhouse indicate that nearly 65,000 spectators have been entertained by the all-student company since the Playhouse was founded.

Although affiliated with the speech department, the Playhouse is not operated with University funds. However, University credit is given to members of the company who register for the five classes offered in theatre production at the Playhouse. Staff members for this season include Dr. Miesle, Dr. Donald C. Kleckner, chairman of the speech department, Harold Obee, assistant professor of speech, John Hepler, technical director of the University Theatre.

By offering not only academic credit but also extensive experience in actual dramatic production, the Playhouse fulfills its twin aims of extending the influence of the living theatre and providing an educational service for the members of the company, many of whom return as stars on University Theatre productions.

This year, as before, the majority of company members are students of the University. Students of other colleges and universities and occasionally high school play-

ers of outstanding talent are accepted as company members.

Production schedule for the Huron Playhouse, Huron, Ohio, for the tenth season will be: "The Desk Set"—July 8 through July 12; "Anastasia"—July 15 through July 19; "Paint Your Wagon"—July 22 through July 26; "The Silver Whistle"—July 29 through August 2; "Abie's Irish Rose"—August 5 through August 9; "The Great Sebastians"—August 12 through August 16; "Hansel and Gretel" (children's show)—August 14 through 15, (Matinees only).

AWS "Big Sister" Program Planned

All women interested in having little sisters are to sign up on the sheets provided in the housing units, Mary Jo Aufderheide announced. The Association of Women Students will sponsor the event.

The names of the big and little sister will be matched up during the summer. Big sisters will be notified by mail of the names of the little sisters and will then write to them or see them in person if possible. When the big sisters return to campus she will contact her little sis, show her around campus and, in general, help her in any way she can.

AWS will again sponsor its Big Sis-Little Sis Picnic come Saturday after school begins in the fall. "We hope all women students will take advantage of this opportunity and get to know and help the new freshmen, Miss Aufderheide said.

MONTH'S BEST QUOTE: "Of course I love my boyfriend—but I can't go around marrying every boy I'm in love with."

FASHION: It's getting so you need a Ph.D. in nuclear physics to study the latest fashions. Science and clothing are working hand in glove and practically every new model has some new scientific application sewn into it. A whole parade of new lightweight golf jackets are so advanced that they can very nearly play golf by themselves. They're feather light in weight yet with enough body to keep warm on the first tee in the dawn's early light. Some are Ivy in styling and some reflect this season's trend toward brighter styling—plaid and striped patterns and cheerful linings. Some are with traditional lines and solid colors. All are treated to repel oil and water-borne stains. In any case, even non-golfers can wear them.

NEW TO THE MARKET: The first complete line of shaving accessories has just been introduced by Remington Rand. Spearheading the line are three items: pre-shave powder stick, pre-shave lotion, and after-shave lotion. Other items in the line are the electric shaver cord (which extends from 15 inches to six feet); "Shaver Saver," a one minute tune up for sluggish shavers; a service kit; cleaning brushes; shaver holder and "Speedak." And check out that Auto-Home Rollelectric. It operates from the automobile cigarette lighter or on house current.

WHAT SOPHOMORES SHOULD KNOW: Joe Garcia of Melbourne, Australia once ate 480 oysters in 60 minutes without finding a single pearl... There's a European vacation rain check system in operation now. Monte Carlo will pay guests' hotel bills for any day that the rainfall is above the average of the ten preceding years. Both Viennese and Swiss insurance firms are obliging about taking bets on the weather. A good weather prophet can make expenses by taking a policy on foul weather in the Azores and then sitting out the storm on the balmy Riviera.

HERE AND THERE: California, according to one definition, is a state that's washed by the Pacific on one side and cleaned by Las Vegas on the other... It is possible for some people to sleep with both eyes open (this has been going on in class for years)... If you thought that New York City was the prime target for an atom bomb, you're wrong. Florence, S.C. will go down as the first American city to have an A bomb dropped on it.

I CAN SEE IT NOW: With automobile accounts bouncing around from one advertising agency to the next, a newspaper man asked one Ford official who got Lincoln. "John Wilkes Booth" was the answer.

MAC Championships At WM This Weekend

BG, OU, WM Golfers Loom As Link Favorites

This weekend the BG linkmen travel to Kalamazoo, Mich., for the Mid-American Conference golf championships. Along with Ohio University and Western Michigan, the Falcons will be rated favorites.

Earlier in the year, the Falcons fell prey to the Bobcats, 17-7, and beat the Broncos, 10 1/2-7 1/2, last week. Gary Hallett and Perry Lanning will be the top representatives for BG. Hallett has been shooting around 74 for the season. Par at the Elks Country Club is 73. Hallett had a one under par 72 against Western Michigan on the same course last week.

Ohio University, coached by Kermit Blosser, will be gunning for its seventh title in eight years. The probable starters for the Bobcats will be Chuck Vandlik, Bill Santor, Larry Snyder, Bill Gore, and Carmen Lubbio. Lubbio is the only letterman. The rest of the squad are sophomores. Santor was the medalist or low man in the Ohio Intercollegiate Championships held recently at Ohio State University.

The Broncos, coached by Roy Wiltz, will be represented by Tom Arch, who was low for WM against BG last week with a par 73, Jim Coyne, and Ray Piffaff.

Another top contender will be Marshall College with its two top stars, Linden Meade and Jack Freeman. Freeman was the medalist at last year's championships with a 149 and Meade was runner-up with 150 as the Thundering Herd finished second to Ohio U. Another top performer will be Bob Dice of the Miami Redskins.

Jack Luedeman will be one of the players teeing off for the Fal-

cons. Luedeman finished fourth in last year's tournament. The other starters for BG will be Harold Warren and Dave Steinen.

The teams will play 18 holes this afternoon and 18 Saturday afternoon.

Commenting on the Falcons' chances, Forrest Creason, golf mentor, said, "We don't concede yet to Ohio U. Our kids did real well on that course (at Kalamazoo) and we'll be ready for them."

Diamondmen Face Rockets In Seasons Final Two Meetings

Today and tomorrow, the Bowling Green diamond crew take on the Toledo Rockets to close out the season. Coach Stellar would like nothing better than to finish the season with two victories over the neighboring Rocket nine.

The Rockets have had an unusual year, playing some good ball, but tossing in some very poor playing such as their defeat by Kent State 26-5 early in the season. They have had considerable difficulty in finding support for their pitching staff. Their strong point seems to be their hitting power. Catcher Chuck Darrel is pounding the ball at a .409 clip, second best in the conference. Al Misko, Don Lewis, Stan Cieslewski, and Fred Cieslewski, are all hitting in the vicinity of .300, with the team batting average pushing .290.

Top moundmen are Dick Farkas and Jerry Eitzman and they will probably face the Falcons in the final games.

On the mound for the Falcons will probably be Joe Podojil and Wade Diefenthaler. Podojil stands second in the MAC in earned run averages and Diefenthaler, fourth.

Heading the swatsmen is Ron Blackledge, who is hitting well over .300. Ray Reese, Dick Kuzma, and Larry Geisler are the other Falcons that carry a big bat at the plate.

Toledo split two games with Kent State, as did the Falcons and also lost two games to champion Western Michigan, as did the Bowling Green nine.

James Makes Semis Of Tennis Tournament

Jan James, representing the women's tennis team, reached the semi-finals in the singles competition of the Ohio College Women's Tennis Tournament held May 16-18, at Miami University in Oxford. She was finally defeated by Lynn Lawson of Miami. Both girls come from Middletown and have played each other previously.

There were over 60 women representing 17 Ohio colleges participating in the tournament. Lenore Edgington and Virginia Hafer reached the quarter-finals in the doubles competition, but were then eliminated by Marilyn Miklas and Martha Suoba of Kent State University. Other girls from Bowling Green participating in the tournament were Sally Matheney, Mary Ann Palmer, and Sue Riebel. Miss Mary Spooner, faculty advisor, also attended the tournament.

Colburn, Smith Top BG Entries In Conference Tennis Tournament

The 1958 tennis season comes to a glorious close this Friday and Saturday at Western Michigan in the form of the MAC Tennis Championships. This tournament will end a season which has followed the pattern most people believed it would early in the year. The Western Michigan Broncos enter the tournament heavily favored to repeat winning the championship.

For the Falcons, Bob Colburn, who has a record of 6-5, will be playing in the number one slot. Colburn has made definite progress during the season especially towards the end winning his last three singles matches.

Ed Wahl, who has compiled a 9-5 record, will be playing no. 2 for BG. DeWayne Smith, showing the outstanding record of 12-2 will be number 3. Smith has been the most outstanding player on the squad all season, playing a very fine brand of tennis. Dick Abele, with a 7-7 record rounds out the Falcon entry to the tournament.

For the doubles competition Bob Colburn will team up with Dick Abele, and Ed Wahl will be matched with DeWayne Smith. Both of these teams have shown well this year and could very well make themselves known at Western Michigan this week-end.

Coach Bob Keefe believes that the Broncos have the definite edge for first place but the rest of the positions will be a tossup. The team which is up for the match, and the team that shows the most desire could very well move up to the second place. He believes that BG has been improving and if it plays its best brand of tennis it could do very well.

Netmen Defeated By Oberlin Netters

Unable to win any of the doubles matches after splitting the singles competition the BG netmen fell at the hands of Oberlin 6-3 Tuesday on the Falcon courts.

Bob Colburn, playing against Oberlin's number one man Howard Rowland, showed fine style by defeating Rowland 9-7, 7-5 in a bitterly contested match. At no time was either

man sure of the match until Colburn broke the final service. Colburn, as of late, has been playing some great tennis against very tough competition. DeWayne Smith continued his court magic by beating John Schwartz in two sets 6-3, 6-3. Smith was having a good day with all his strokes much to the distaste of his competition.

Ed Wahl went under the racket of John Erikson 9-7, 7-5 in a see-saw battle. Dave Byrens overpowered Jim Scheel 6-3, 6-1 which at the time put the running score of the match at 3-2, BG having the slight advantage. In the next match, it took Jack Porter three sets to overcome Falcon Tom Crow with the final score being 2-6, 6-4, 7-5. At this point Oberlin took over, and the match was never again in doubt.

In another long match, Rowland and Norman of Oberlin beat Colburn and Abele 7-9, 6-4, 6-4. Both BG netters played a slow and somewhat sloppy game which could have been caused by the length of their first matches. Erikson and Schwartz then came on to handily put down Wahl and Smith 6-0, 6-1, in an odd one sided match. To add a final touch, Pete Blum and John Patterson eked out a victory over Scheel and Crow 8-6, 7-5, and it was all over except the second guising.

The loss to the fine Oberlin squad reflects no shame on the Falcon tennis squad. All except one of the matches were extremely close, with exceptionally long

matches being the order of the day. The loss puts BG's record at 6-8 going into the MAC Championships at Western Michigan this weekend. With the breaks falling the wrong way all season, this would be a fine time for them to change.

BG Nine Loses To Eastern, 11-2

Outhitting their opposition 10-9 Bowling Green's baseball team still got beat by Eastern Michigan last Tuesday afternoon, 11-2 on the Eastern diamond. The main contributing factor to the Falcons loss was seven errors by the BG diamondmen. The loss marked the Falcons sixth defeat of the season along with six victories.

Eastern opened the scoring in the second inning coming up with one run. The Falcons went ahead in the top of the third producing two runs. They came on a home-run by Don Hornish with Ron Blackledge on base. This completed the Falcon's scoring for the day.

In the bottom of the third Eastern came up with four big runs, and that was enough for the win. The runs came on two hits, two walks and two errors.

The Eastern crew added three more runs in the fifth, two in the sixth and completed their days scoring with one in the seventh.

Ron Blackledge continued his fine hitting for BG coming up with two hits in four trips to the plate. Blackledge was the only BG squad member to come up with more than one hit.

Joe Podojil took the loss, his first of the season. He worked a total of five innings and was charged with eight runs. Ron Gulyas, who left in favor of a pinch hitter in the fifth received credit for the victory.

Young Obtains Post On Findlay Football Staff

Jim Young, Bowling Green graduate student has recently been appointed to an assistant coaching position on the Findlay College football staff.

Young has been assisting Doyt Perry with the Falcon squad this past year. He will assume his duties on the Oiler staff at the beginning of the school year. He will also coach track and wrestling.

Miami, Broncos Picked To Capture Track Title

The groomed and polished cinder track of Western Michigan University at Kalamazoo will be marred and pitted tomorrow night when the MAC track championships are over and a winner has been declared.

From all indications the Mid-American finale will be little more than a dual meet between the league's two best—Miami and Western Michigan. The Redskins won last year, and just last week they tripped the Broncos, 67 1/2 to 59 1/2.

Bowling Green, under Bob Whitaker, can hope for no more than third, and even then the Falcons will be pressed by Ohio U.

In the individual events Ira Murchison, the diminutive Chicago sprinter, will again shine in the 100 and 220 yd. dashes if the weather is at all favorable. There isn't a man in the conference who can hold Ira's shoes, as indicated by his world record performances at 60 and 100 yards. He should also set a new league mark in the 220.

In the quarter mile Sherm Waltman of Miami has turned in several 49 second showings and looks good again this year.

While John Scott of Bowling Green cruises the 880 in less than two minutes, either Jerry Hart of Miami or Don Bruggemann of Western could do better than 1:55 to win.

Miami begins to look even stronger in the distance events where Bud Schul and Dick Klevenger will shine. Jerry Wardle of Western is another strong contender in the mile. Ohio U. looks their best in the distance runs. Larry Dove of Bowling Green could tie his own school record and still not even show in the mile.

In the hurdles Bowling Green's dazzling sophomore, Bernie Casco, looks tough in the lows and the highs, but Dick Reinke has done 14.8 in the lows for Miami, and Ed Henley of Western ought not to be overlooked, either.

If Walt Killian can overcome his hepatitis to compete in the high jump, Bowling Green could almost count on another first place.

In the relays Miami's depth may prove the deciding factor. Earlier this season a Redskin mile relay team set a school record of 3:19.8.

Dick Luehrs of Bowling Green could be the shot put champ, but

Chuck Warner and Sebastian La Spanza of Miami will push him.

Warner will have to contend with the Falcons' Carrol Rine and Western's Gary Huber in the discus. Bobby Ramlow of Bowling Green and Jerry Beckner of Western will vie for pole vault honors in the one event where Miami is decidedly weak.

When all is said and done, Miami and Western Michigan remain the sole contenders, and Miami has shown they can beat the Bronco powerhouse.

Sink Raps Homer In Frosh Finale

A grand-slam run by Gerald Sink in the sixth inning led the BG frosh to a 12-9 win over Toledo here Tuesday. Gerald Howard who came in to relieve Tim Smith in the sixth was the winning pitcher, while Podadich was charged with the loss.

The Rockets jumped on starter Dave Hornick for two runs in the first inning, added one in the third and one in the fifth for a 4-2 lead.

The big BG six-run, sixth inning, started on a single by Amato Martinez, after which Gerald Miller drew a walk. Martinez scored as Alan Studer was safe on an error by the shortstop. Brian Bridell scored Miller with a single and after Gordon Heele flied out Howard drew a walk to set the stage for Sink's blast.

Toledo scored twice in the seventh and three times in the eighth off Howard, but a four-run eighth by BG put the game out of reach for the Rockets.

Sink and Miller each had two hits to pace the Falcons, while Peters, Rier, Graycheck and McCabe had two hits apiece for Toledo.

Rodgers Uses Profits To Double Scholarship For Current Semester

The Rodgers Quadrangle Scholarship Award will be increased from 30 to 60 dollars for this semester, according to James C. Grimm, head resident.

This award is given to the room in the quadrangle, Rodgers Northwest, or Rodgers Northwest which has the highest accumulative point average for the semester.

Along with the cash award, the roommates, names will be engraved on the Rodgers Scholarship Plaque which is displayed in Rodgers' mezzanine.

Mr. Grimm originated this award last semester by suggesting it to the social committee who worked it out. The \$60 is profit from the sale of The Toledo Blade to Rodgers residents.

Last semester two rooms tied with accumulative point averages of 3.66 and the award was divided. The men were Robert Fearnside and Thomas McKibben in one room and Darwin and Donald Pegelow in the other.

Since the residents will be home before the grades are tabulated, the winners will receive checks through the mail.
